Dear Mr. Roberts:

Re: Parowan Valley Dist. Sys.  
Account 37-19A

Floyd Roberts has informed us you and Jessie Roberts each own 1/2 of water rights, 75-1490, 75-1655, and 75-1656 which are regulated under the Parowan Valley Distribution System. The distribution account numbers associated with these rights is 37-19A and 37-19B and our records show the previous owner was Floyd Roberts. We are enclosing, therefore, your 1995 assessment notice for the above mentioned water rights.

The distribution system is regulated by the State Engineer under authority of Section 73-5-1, Utah Code Annotated, 1953, as amended to insure orderly distribution of water based on water rights. A budget is set and assessments are made each year to meet the expenses of the distribution system including the commissioner's salary. The budget and assessments are set by the water users at the annual distribution meeting with the State Engineer. If assessments are not paid by June 1st a delinquent penalty of 10% is added. However, because we have not been able to get this notice to you in time, if you will send payment to my attention we will delete the penalty this year.

If you have any questions, please either call Dennis A. Lowder at 801-477-3375 or Kerry Carpenter at 1-801-586-4231 or myself at 538-7431.

Sincerely,

John S. Larsen
